

# Election of Board

## VOTING FORM

**Voting closes at 5.00pm on 24 November 2023.**

Votes received after this deadline will not be accepted.

For information on voting and the definition of who may vote in the Forest Growers Levy Trust Board Election see: <http://www.forestvoice.org.nz/qna.htm>

Anyone who potentially will pay the levy during the six year life of the new Levy Order (2019 – 2025) will be entitled to vote. There is one vote per forest owner regardless of the form of that ownership or the number of forests held by that owner.

A qualifying forest is a forest that has a Stand or Stands of trees of 10 years or more in age (or, for the purposes of this election, planted before 1 January 2014) totaling at least four hectares.

A voter declaring more than 1,000ha net stocked area is voting for two positions and can vote for up to two persons nominated in the more than 1,000ha category. Their votes will be recorded proportionate to the declared harvested volume for the previous calendar year, specifically the 12 months to 31 December 2022. See volume requirement below.

A voter declaring fewer than 1,000ha net stocked area is voting for one position. Their votes will be recorded as one vote per person voted for. No requirement to supply volume.

A separate form should be used for each voting forest owner/levy payer. Only one voting form may be completed for each voting forest owner/levy payer.

I am eligible to vote in the election for the Board of the Forest Growers Levy Trust in the following category:

a) More than 1,000 ha

a) Fewer than 1,000 ha
